

Elevate Your Surgical Mastery: GESEA Level 1 Certification 2026

Standardize your skills. Validate your expertise. Join the global elite in MIGS.

We are thrilled to announce the **GESEA Level 1: Certification & Surgical Excellence Symposium**, a premier 3-day intensive program designed to bridge the gap between surgical theory and clinical mastery.

 Dates: 11 – 13 February 2026

 Location: Srinakharinwirot University, Bangkok, Thailand

Distinguished International Faculty: Prof. Rajesh Devassy & Prof. Rudy Leon De Wilde

Why This Symposium is Essential for Your Career:

- **Global Standard:** Undergo the official **GESEA (Gynaecological Endoscopic Surgical Education and Assessment)** pathway.
 - **The Myomectomy Masterclass:** A deep dive with **Prof. Rajesh Devassy** on the "Art of the Suture" and uterine reconstruction.
 - **Adhesion Science:** Learn evidence-based prevention strategies with **Prof. Rudy Leon De Wilde**.
 - **Technological Frontiers:** Explore the latest in **HIFU, Microwave Ablation**, and the **10-step TLH protocol**.
 - **Hands-on Validation:** Intensive training and official examination in **LASTT, SUTT, and HYSTT**.
-

Mandatory Pre-Course Requirement

To ensure high-level technical discussion, all participants must complete the GESEA Level 1 E-Learning Module prior to attendance.

 Access E-Learning: <https://academy.esge.org/>

Secure Your Station

Hands-on training stations are strictly limited to ensure a high faculty-to-student ratio.
